

TT Kidz

/ Year 1 - 2019-2020

TT Kidz is an 8-week programme designed to introduce young people aged 7-11 to the game of table tennis in a fun, engaging and inspiring way. The programme is delivered in schools and clubs.

It was a fabulous first TT Kidz session. Harry absolutely loved it, and the instructors were brilliant

We really enjoyed our TT Kidz session at Whittlesey Table Tennis Club. The booking process was straightforward and hassle free and the coach, Peter, was clearly passionate about the sport and delivered a fun, interactive session my daughter very much enjoyed.

Amazing first day of #ttkidz course. Full of happy children having lots of fun and learning how to play table tennis. Can't wait for week 2. Nice to see the new generation of players at our club. #futureisbright Kingfisher TTC

The session went off with a bang! Congratulations on a terrific initiative - the training, information flow and marketing resources are first rate.

It has been a struggle to find a physical activity that Bella would be committed to doing on a regular basis, however, I think we might have found one. This has been helped by Evies enthusiasm and her being a great female role model. Overall the sessions have been well organised. It has been great to see how quickly Isabella has improved
