

Jack Petchey Programme

Now in its 10th year, it is estimated that over 50,000 young people have directly benefited from the Jack Petchey Programme.

Since April 2017, the Jack Petchey Programme has had a significant impact across the following areas:

1. Competition
2. Table Donation Scheme
3. Training
4. Female Participation

Competition

4107 players have competed in qualifier competitions
739 players have competed in finals competitions

Training

116 people completed the course

Table Donation Scheme

756 table tennis tables have been donated to schools and youth clubs, including;

Broomfield School

These tables are a great success and we are pleased table tennis is proving so popular with our students. As table tennis has become more well-liked, we have noticed the behavior of some of our students has improved along with their well-being and desire in their education attainment

Female Participation

An estimated **1352** girls have participated in Jack Petchey events, including **1168** in Jack Petchey team and individual qualifiers or finals, **112** in Jack Petchey Girls Only festivals and **72** receiving coaching through the Jack Petchey Girls Only coaching programme

Central Foundation Girls School

Around 80 students playing each day. Table tennis utilised as part of the Duke of Edinburgh programme.

These tables are a roaring success and we are so pleased table tennis is proving so popular with our students. The social benefits of playing table tennis are really rewarding and the girls don't have to change to play

The Green School for Boys

We are so grateful for support from the Jack Petchey Foundation and Table Tennis England. It's great seeing the boys take real ownership, look after the tables and equipment and organise their own games. We are now looking to signpost them to a local club for coaching

St Gregory's Catholic Science College

Table tennis is now one of the most popular sports at the school

This partnership has had a positive impact on our school and has revolutionised pupils' participation in sport. It has also greatly improved an understanding of health and well-being among our students

The Big Kid Foundation

Up to 60 young people play table tennis each week

The table tennis tables have really improved the atmosphere of the club. Table tennis is a great social sport that any young person can get involved with. It can often get quite competitive as well which is fun and allows the young people to let off a bit of steam which does wonders for their attitude and behaviour. They are an invaluable engagement tool for our young people
